**RESPONSE TO NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL
APPLICATION.**

**PETITION TO RESCIND NOTICE REQUIREMENT
ALTERNATIVELY, SUBMISSION OF DECLARATION
REQUEST FOR EXTENSION OF TIME
AUTHORIZATION TO CHARGE DEPOSIT ACCOUNT**

This is a response to the Notice to File Missing Parts of Non-provisional Application dated 03/19/2002 (copy attached).

This response has two parts. The first is a petition that the notice be rescinded. The second complies with the noticed requirement. Finally, all fees that may be required for either the first or second part may be paid from deposit account no. 50-1054. Also, an extension of time is requested.

Part 1. The applicant petitions that the notice be rescinded. It is submitted that the required declaration was filed. This is evidenced by recitation of "Declaration For Patent Application" in both the letter of transmittal and in the post card; a copy of each is attached. There is no indication on the post card that the declaration is missing. Also the attorney's file for the application and the chron file each have a copy of the declaration as part of the package sent. A copy of that declaration is also attached (and submitted in satisfaction of the noticed requirement if this part is rejected).

Part 2. In the alternative, if the petition to rescind is denied, a declaration is submitted herewith to satisfy the noticed requirement.

If any extension of time is required for this submission such extension of time is requested. All fees due for this submission may be charged to deposit account no. 50-1054.

Respectfully submitted,

Lawrence S. Cohen, Esq.
